# *Welcome to UnitedHealthcare's Dental Plan*

Please take a moment to review this provider directory.

We want to make sure you are satisfied with your dental benefits.

If you have any questions, please contact the Member Services Department.

---

## *Your dental directory*

We have included an extensive directory of network dentists located throughout the community. The dentist information that can be found within this directory includes:

- Name, location and phone number
- Foreign languages spoken, if any
- Wheelchair accessibility
- Licensure, certification and other regulatory considerations
- Whether or not the office is accepting new patients

A list of general dentists and specialists is included in this directory. You do not need a referral from a general dentist to receive care from a specialist.

Should you have questions, please call the toll-free number listed in your enrollment information. We offer language assistance services if you require translations or need assistance receiving care in languages other than English. Contact our Member Services Department for translation support.

## *Meeting our quality standards*

You can have confidence knowing you are receiving care from dentists who have been carefully selected for participation in our network. All network dentists undergo a rigorous review and credentialing process prior to being accepted into our network, which includes the following major elements:

- Dentist education, training and experience
- Malpractice history

This process confirms that each dentist has the required credentials to participate in the network. We cannot guarantee the continuing participation of dentists currently listed in this directory. When a provider no longer participates in the network, or has changed participation status, additional costs may be incurred. We recommend that you call the Member Services Department to verify that a dentist is currently participating in the network prior to seeking care.

**American Disabilities Act Notice:** In accordance with the requirements of the federal Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 ("ADA"), we provide full and equal access to covered services and do not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Copies of our network provider directory are available at no cost by calling the Member Services Department.

If you believe there is an error in this directory, please call us at 1-800-445-9090 or email at [provdirectory@yourdentalplan.com](mailto:provdirectory@yourdentalplan.com).
